9/24/96

Dear Harold,

Enclosed please find news clippings of interest. I've also sent a picture of my new daughter and myself with all my kids. The new baby girl was born om 9/6/96 and her name is Therasa Mary Wilson. Everything went very well and my wife is fine. It was good to talk to you on the phone and I hope you continue to get along well and feel good. May try to see you this fall.

Sincerely,

Scott Wilson
